FEMA will be unable to complete a registration if neither you, your spouse, nor a minor child in your household—who is a U.S. Citizen, Non-Citizen National or Qualified Alien—has a Social Security Number. At least one of these individuals must have a Social Security Number for your household to receive assistance. If you do not have access to a Social Security Number at this time, please call back or log onto **DisasterAssistance.gov** when you do. A Social Security Number is required for identity verification purposes.

If you do not have a Social Security Number, your household may still be able to receive assistance if there is a minor child in the household who is a U.S. Citizen, Non-Citizen National or Qualified Alien with a Social Security Number.

You will be asked to identify the type(s) of insurance coverage you have.
